

X-TRAIL

GET INSIDE. GO OUT THERE.

Experience the joy of life's adventures in a bigger, bolder crossover that has everything you need to get out there. Muscular sculpted styling, solid capabilities and next-level technologies will keep you in control and give you all the space, comfort and flexibility you need to enjoy your action-packed trips. So where to next?

Go out there & explore.

NEXT-LEVEL TECHNOLOGY FOR A CONFIDENT AND ENERGISING DRIVE

Nissan Intelligent Mobility is redefining the way we power, drive and integrate cars in the world around us. It's bringing you and your Nissan X-TRAIL closer together for a more confident, more exhilarating ride. It's making your journey more personal through advanced connectivity and empowering you through progressive technologies. It's enhancing the joy of being behind the wheel and turning the world into a safer place everyday.

GET A HAND WHEN YOU WANT IT STEPPING IN WHEN YOU NEED IT.

Meet your co-driver. It sees and it senses. Smart safety features step in on your behalf, from Intelligent Auto headlights, Intelligent Emergency Braking, Intelligent Forward Collision warning and Intelligent Lane Departure Intervention, the new Nissan X-Trail acts as your driving partner, always looking out for you and those around you.

INTELLIGENT FORWARD

EMERGENCY BRAKING:

Intelligent Forward Emergency Braking uses radar technology to monitor the vehicle in front of you, and provide audible & visual warnings prompting the driver to react to avoid a possible frontal collision. Upon driver intervention failure, the vehicle will apply braking to avoid or reduce the severity of the collision.

INTELLIGENT LANE

INTERVENTION.

This system will alert you of drifting by giving audible and visible warnings.

INTELLIGENT AUTO

HEADLIGHTS.

See more on dark roads. This system will activate the beams as soon as you need them and temporarily dip the lights for oncoming traffic.

INTELLIGENT BLIND SPOT

INTERVENTION.

This system can see what the eye cannot. It will warn you if it detects any vehicles in your rear diagonal blind spot.

SEE MORE AROUND YOU.

INTELLIGENT AROUND VIEW MONITOR

The Nissan X-TRAIL offers the available intelligent around view monitor with moving object detection. This feature comes with 4 cameras that give you a virtual 360° birds eye view of your vehicle.

BIRD'S EYE VIEW

Intelligent AVM gives you a virtual 360° bird's eye view of your vehicle to bring your parking space and manoeuvring capabilities into full perspective.

REAR VIEW OR FRONT VIEW

Thanks to Intelligent AVM, you can check the front and back of the car while remaining comfortably in the driver's seat.

STRESS-FREE PARALLEL PARKING. Intelligent AVM provides visuals that allow you to park like a pro.

SQUEEZE IN ANY SPOT STRAIGHT. Intelligent AVM provides multiple views to help you park straight into your space without a scrape.

GARAGE PARKING IS EASY. Intelligent AVM provides visuals that help you pull all the way into a garage, showing any objects on the floor and ensuring you've cleared the garage door.

HOOK UP A TRAILER WITH EASE. Intelligent AVM provides an overhead view and rear bumper view to help you align to trailer hitch with ease.

RIGHT ON THE NOSE

With a front and overhead view, you know just how far to pull up - without going too far.

CAMERA

1

FEAR NO PARKING LOT

Tight spot with cars on either side? The overhead view helps you centre your Nissan X-TRAIL in the space.

CAMERA

4

CAMERA

2

LOOKS OUT FOR THE WHEELS

The side is a great help for seeing how close you are to the pavement.

CAMERA

3

BACKGROUND SAVVY

In reverse, the display helps you see what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

DRIVE MORE LIKE A PRO NISSAN X-TRAIL, SUBTLY MAKING YOU A BETTER DRIVER.

The Nissan X-TRAIL is so agile and responsive, it actually improves your driving. Nissan's Chassis Control technologies make it smooth to handle and secure to drive – ensuring an exciting yet comfortable journey for everyone on board. So get inside and have some fun.

INTELLIGENT RIDE CONTROL.

Take the rough with the smooth. This system applies subtle braking to prevent turbulence over bumps and enhances the overall comfort of the ride for the whole family.

INTELLIGENT TRACE CONTROL.

Keep cool when cornering. This system adjusts brake pressure on individual wheels to keep you on an optimal line through turns.

INTELLIGENT ENGINE BRAKE.

Feel the curve. This system controls the CVT as though you're driving manual through a light bend. It shifts down to smoothly decelerate on your way through the curve, then shifts back up to accelerate on your way out.

NISSAN INTELLIGENT DRIVING

ADAPT TO ANY TYPE OF CONDITION IN THE BLINK OF AN EYE

The Nissan X-TRAIL can adapt to changing conditions 30 times faster than the blink of an eye. Whether it's sand or gravel, rain-covered surfaces or a tight turn, the system will automatically send power to the wheels that need it the most. Even in ideal conditions, the Nissan X-TRAIL's AWD system pays big dividends: getting a grip has never felt better.

HILL START ASSIST/AUTO HOLD. No rolling backwards. With Hill Start Assist, encountering an incline is simple. It applies the brakes to all four wheels to hold the car for 3 seconds, before the drive fed to the wheels releases them. With the Auto Hold function activated, the brakes are held for 3 minutes on any gradient.

INTELLIGENT 4x4. With Nissan X-TRAIL's All-Mode 4x4-i, you've got a system that's capable on-road and off. You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear.

INTELLIGENT POWER GO FURTHER WITH A CLEAN CONSCIENCE

Looking for excellent fuel economy in a roomy crossover that's lots of fun to drive? That's what you get with the new Nissan X-TRAIL. From exterior aerodynamics that whisper through the wind to advanced engines and a virtually gearless XTRONIC transmission, it takes efficiency and performance to the next level. The Nissan X-TRAIL has an option of 3 engines: the trusted 2.0 litre petrol, punchy 2.5 litre petrol & highly efficient 1.6 litre diesel engine. The diesel offers enhanced fuel economy and lower CO₂ emissions and is equipped with Nissan's automatic Start/Stop system, which shuts down the engine when temporarily not in use to save fuel, then smoothly and quickly restarts as you pull away. The 2.5 petrol engine is mated with the latest version of XTRONIC CVT (Continuously Variable Transmission) with up to 40% reduced friction and the ratio coverage is increased to greater than that of some 8-speed automatics. The result is an engaging drive and smooth performance, it's like riding a continuous wave of power.

Engine	Axle	Transmission	Output (kW)	Torque (Nm)
2.0ℓ Petrol	2WD	6-speed MT	106	200
2.5ℓ Petrol	AWD	XTRONIC CVT	126	233
1.6ℓ Turbo Diesel	AWD	6-speed MT	96	320

126kw 233nm

BREATHTAKING FROM TOP TO BOTTOM

To design their zero-gravity-inspired seats with spinal support, Nissan's engineers looked to the cosmos. They recreated the relaxed posture of astronauts floating in space by designing an articulated front seat that supports you from the pelvis to the chest optimizing the blood flow, and seat cushions that provide better pressure distribution. The result is exceptional comfort and less fatigue on the long distance trips of your adventures.

More inspiration comes from the panoramic sunroof, offering everyone aboard the most stunning theatre view of the sky and stars.

NissanConnect

YOUR WORLD AT YOUR FINGERTIPS.

Thanks to Nissan Connect with voice command you can make phone calls without lifting a finger. Coupled with Apple CarPlay & Android Auto your favourite music streaming services can come along for the ride, integrated through your smartphone and the X-TRAIL's 7-inch colour touch-screen.

YOUR MUSIC. YOUR WAY.

Access your music using Bluetooth, USB or connect with Apple CarPlay or Android Auto

TURN-BY-TURN NAVIGATION

SLIDE, GLIDE AND SWING WIDE.

A SMARTER 2ND ROW. Thanks to the Nissan X-TRAIL's flexible seating system, this 2nd row is truly first class. The 60/40 split seat slides forward for easy access and adjusts to give you more cargo space, more legroom, and everything or anything in between. You can also recline the seats, when it's time to just relax.

OPTIONAL 3RD ROW. The Nissan X-TRAIL's folding 3rd-row 50/50 split seat gives you additional versatility. Perfect for accommodating extra passengers and their gear, it also folds down completely to make a flat cargo floor for maximum storage capacity.

REAR 77° WIDE OPENING DOORS. The Nissan X-TRAIL's rear doors swing out to nearly 80°, giving you easy access to the kids, the cooler box, the adventure gear... making life convenient.

2ND ROW

SEAT SEVEN OR FIVE WITH EASE

Best-in-class front headroom and thoughtful 2nd row vents help keep everyone comfortable. An available 3rd row of seats with a 50/50 folding split is ideal solution when you need to fit more family members and friends inside of your Nissan X-TRAIL – or you can fold it down completely, making the cargo floor flat and maximizing the storage space.

NISSAN HANDSFREE POWER TAILGATE INNOVATION THAT GIVES YOU A HAND

Got your arms full ? No worries ! You can open the back door hands-free. Just stand about three feet away with your iKey in your pocket and swing your foot under the centre of the bumper - the door will open within a couple of seconds.

PACKING SPACE SUITED
FOR ANY ADVENTURE

SINGLE-HANDEDLY REINVENTING VERSATILITY

The exclusive Cargo System adapts to your next trip in an instant. An adjustable set of shelves and dividers offer a variety of 9 configurations - it's so easy, you can do it with one hand.

◀ **Secret spot.**
A long, flat floor for big items, with under-floor storage for things you want to hide.

◀ **The lowdown.**
Lower your floor for added height to fit those tall items.

ACCESSORIES FOR EVERY OCCASION

From the city streets to the great outdoors, your Nissan X-TRAIL is ready to take on any adventure, thanks to its versatile range of Nissan Approved Accessories. Whether it's towing the campervan, checking your tyre pressure or connecting your favourite music playlist, the versatile range of Nissan Approved Accessories ensures all your road trip needs are covered.

Weathershields (Slimline, Front & Rear)

X-TRAIL branded Weathershields that protect the cabin against the elements when windows are partially open. A slim finish that is perfectly tailored to your vehicle.

Towbar

Maximise your versatility with a quality towbar that has been engineered and tested to ensure a maximum breaking capacity of 1 500kg and vertical load on ball of 75kg.

Rubber Floor Mats (Front & Rear)

X-TRAIL branded Rubber Floor Mats designed with a raised outer perimeter to contain any dirt, grass and gravel whilst protecting the cabin floor.

Bonnet Protector (Smoked)

Tinted X-TRAIL branded Bonnet Protector complements the appearance of your Nissan and protects the leading edge of your bonnet from stone chips and other road debris.

Headlamp Protectors

Protect your vehicle's headlamps from stones and other road debris with these Headlamp Protectors.

Boot Storage Bag (Six Compartment)

Boot Storage Bag provides a handy storage solution for your boot area for items such as groceries and sports gear.

~~WE MAKE PROMISES.~~
WE KEEP PROMISES.

INTRODUCING NISSAN ASSURED, IT'S MORE THAN A PROMISE. AS PART OF THE NISSAN FAMILY YOU'RE GUARANTEED OUR COMMITMENT TO CUSTOMER CARE. A LASTING BOND BETWEEN YOU, YOUR VEHICLE AND THE NISSAN BRAND. THAT'S OUR PROMISE.

CUSTOMER EXPERIENCE

We promise to make your Nissan experience one to cherish, from your delivery day and everyday after, our commitment is to deliver a service experience you can trust – and believe in.

CUSTOMER SUPPORT

ROADSIDE ASSISTANCE

We keep you on the road 24/7. Should anything unexpected happen we guarantee you 24-hour roadside assistance, no matter the age of your Nissan, because it's still a Nissan. Just call **0800 NISSAN (46 77 26)** anywhere, anytime. Terms and Conditions do apply.

LICENCE RENEWAL REMINDER

We'll remind you in advance so you can keep your licence disk up to date.

3 YEAR OR 90 000KM SERVICE PLAN

For the first 3 years or 90 000km of driving your car, whichever comes first, you can rest easy knowing that our promise to you is a kept one. We'll make sure your car is running smoothly and always on the road.

6 YEAR OR 150 000KM WARRANTY

As long as your car is under our warranty, we'll always have you covered if anything goes wrong. You don't need to stress for the first 6 years or 150 000km, whichever comes first.

SERVICE AND REPAIRS
FREE VEHICLE HEALTH CHECK

We'll give your car a free health check on every major and minor service prior to any work being carried out, so you know exactly what needs to be done, and how much it will cost.

COMPETITIVELY PRICED PARTS

We deliver the highest care for your Nissan by fitting only Nissan Genuine Parts. The expertise of our Nissan trained teams will also guarantee best value-for-money by finding the most competitively priced part for your local dealer.

COURTESY CAR

We will arrange a courtesy car for all warranty repairs should the components required not be available within 48 hours.

Nissan's commitment to the environment

Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

NISSAN'S commitment to quality: to provide all customers with a consistently high level of quality, Nissan applies the standard worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind. 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.

Legal Notice
Every effort has been made to ensure that the content of this brochure is correct at the time of going to print (March 2021). This brochure has been produced featuring prototype or accessorised vehicles exhibited at motor shows and, in accordance with the company's policy of continuously improving its products, Nissan South Africa reserves the right to change the specification and the vehicles described and shown in this brochure at any time. Nissan Dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan Dealer to receive the most up-to-date information. Due to the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used. All rights reserved. Reproduction in whole or part of this brochure without the written permission from Nissan is forbidden. Quoted fuel consumption and emission values have been established using the prescribed method of measurement (United Nations Economic Commission for Europe "ECE" Regulation R101 in the current version) as required under current legislation. This data does not pertain to the specific vehicle and does not comprise part of the offer, but is supplied for the purpose of comparison between the various types of vehicles, in accordance with 1999/94/EC. Driving behaviour / conditions and other non-technical factors contribute towards a vehicle's fuel consumption and CO₂ emissions over and above the determined fuel efficiency of a vehicle.

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that’s safer, more sustainable, and exciting.
