INTERIOR

Smooth and easily responsive, the CS15 provides great road visibility. A practical addition to fleet cars, the CS15 also provides excellent in-class rear head and legroom, and minimum 230-litre luggage volume that expands to 560-litres to the roof, and 1,100-litres with rear seats folded. Well-equipped and affordable, the CS15 features numerous safety and convenience features, including a user-friendly infotainment screen.
