

SILVERADO 1500 LTZ

# LIVE BIG WITH SILVERADO

Chevrolet have put over 100 years of pickup truck know-how into the next-generation Silverado, making it the strongest, most advanced and refined Silverado. Ever.

There's no mistaking the Silverado's legendary Chevy truck bloodline with its bold proportions, powerful 6.2L EcoTec3 V8 engine and refined interior setting.

Chevrolet have also made the hardest working part of the truck even smarter with Durabed®, and combined purposeful technology with impressive capability to deliver towing confidence every day. It's the truck that boasts capability, refinement and technology on a big scale. Live the bigger life with Silverado.

## ENGINE CLASS-LEADING POWER, AND THEN SOME

There's a new kind of power in town. Silverado brings capability on a big scale by combining the performance of an advanced 6.2L V8 with efficiency and refinement. It also features enhanced torque delivery, start/stop technology and an advanced Autotrac system in the form of a 2-speed automatic, active transfer case. This system provides five modes: Auto 4WD, 4HI, 4LO, 2HI and Neutral, in addition to an automatic mode that seamlessly delivers power based on the road conditions and driving style.

POWER  
**313kW**

TORQUE  
**624Nm**

DISPLACEMENT  
**6.2 LITRES**

TRANSMISSION  
**10-SPEED AUTO**

MAX TOWING  
**4.5 TONNE**

CYLINDERS  
**V8**

DESIGN  
UNMISTAKABLE

With its bold proportions and broad-shouldered appeal, Silverado owns the road. **Chrome takes centre stage**, from the grille and bumpers to the mirror caps, door handles and beltline accents. The appeal continues with **20-inch Polished alloy wheels**. Outside, **heated power-adjustable, power-folding mirrors** bring everything into focus.

In the dark, Silverado is just as bold with **LED lighting** from the tail and brake lamps, through to the fog and head lamps. And, on the darkest of roads, **IntelliBeam® auto high-beam assist** will light the way. All-in-all, the profound muscular stance, chrome highlights and advanced lighting make for a big first impression.

SILVERADO 1500 IN SILVER ICE

## INTERIOR BIG LUXURY

In the cabin, Silverado's luxurious Jet Black seats are both **heated and ventilated** and feature **10-way power adjustment** with lumbar control and **driver position memory**. You and your passengers will be comfortable in any condition with a **power sunroof**, **heated steering wheel** and **dual-zone automatic climate control** with rear vents and **seat heating** as standard.

Entertainment is provided via a Chevrolet Infotainment 3 Plus System with 8" diagonal HD colour touchscreen with Apple CarPlay™ and Android Auto™\*, accompanied by four USB ports within the cabin. Crystal-clear sound is delivered by a 7-speaker Bose® Premium Sound System with Richbass® woofer.

Other thoughtful conveniences include **keyless open**, **remote start**, **wireless charging**, **power sliding rear window** and an **integrated trailer brake controller**. The perfect mix of sophistication, comfort and style.

B I G   O N   S A F E T Y

When it comes to protection of you and your passengers, Silverado brings brains and brawn to the table with a **high-strength steel safety cage** and active safety features designed to help keep you and others out of harm’s way while you’re on the road. **Autonomous Emergency** and **Front Pedestrian Braking** lead the way, capable of protecting you and others from potential collisions. **Lane Keep Assist** with **Lane Departure Warning** and **Blind Spot Alert** ensure you’re safe on both sides when navigating lanes. From behind, **Rear Cross Traffic Alert** and **raft of camera views**<sup>^</sup> ensure safe reversing.

<sup>^</sup>Silverado 1500 LTZ Premium w/ Tech Pack only. Silverado 1500 LTZ Premium features a single reversing camera.

# TOWING GIVES YOU BIG CONFIDENCE

Silverado has the legendary power and torque to handle heavy loads – up to 4.5 tonnes - but towing isn’t about power alone. Silverado also offers advanced trailering technology that provides big confidence for the long haul.

## TRAILERING TECH

Silverado offers a number of features that bring confidence to a long day of towing, including the proven technology of **Trailer Sway Control**, **Hill Start Assist** and **Auto Grade Braking**. There are also segment firsts like **Trailer Theft Alert**, **Electric Parking Brake Hookup Assist** and **Brake Gain Memory** on the integrated trailer brake controller.

## TRAILERING APP

Silverado comes with the industry-first **Advanced Trailer System**. To ensure safe towing, the system includes pre-departure checklist, light sequencing, maintenance reminders, security alerts and more. The system can also provide prompt tow reminders, provide trailer electrical diagnostics and monitor tyre pressure.

## TRAILERING PACK

Silverado comes standard with the **Trailering Package**, meaning you can get straight to towing from day one. This includes a **fitted tow bar**, **towing hitch platform** and **12-pin connector**. Tow balls are available in 50mm (towing up to 3.5 tonnes) and 70mm (towing above 3.5 tonnes).

## TECH ON A BIG SCALE

Silverado comes with the latest driver convenience and safety technology, setting a new bar for standard equipment. Whether it's **13 unique camera views^**, the **15-inch colour Head-up Display^**, a dual-function **rear camera mirror^** or **power up/down tailgate** - technology is always at your fingertips.

## DISPLAYS

Silverado comes standard with three infotainment and driver displays. Taking centre stage is an **8-inch colour display**, accompanied by a customisable **8-inch digital instrument cluster^**. Brining the total to 31 inches, an impressive **15-inch, full colour head-up display^** projects onto the windscreen.

^Silverado 1500 LTZ Premium w/ Tech Pack only.

## SEEING IS BELIEVING

Silverado's suite of cameras provide **13 unique views^** around the vehicle. From a **360 degree view^** to the **Cargo Bed view^**, you'll have every angle covered. The built in **Camera App** makes accessing each view effortless, and towing views are also conveniently available in the **Advanced Trailering App**.

## DURABED BEST BED IN THE BUSINESS

## POWER UP/DOWN TAILGATE

Silverado comes standard with the industry-first power up/down tailgate, bringing big convenience to loading and unloading. Even better, the tailgate can be powered up or down from the comfort of the cabin, and powered down from a distance with the remote key.

## LIGHTER, STRONGER, SMARTER

Durabed combines **roll-formed, high-strength steel** with smarts like a **Cargo Bed Camera^** and **LED Bed Lighting** to make hard work easier. Its 1.78 cubic metres of volume is lined with a **spray-on bedliner** and accompanied by **12 standard tie downs**. All this is packaged in style with **LED tail and brake lamps**.
