TAHOE 2015

CHEVROLET

Tahoe LTZ in Crystal Red Tintcoat with available 22" wheels and retractable assist steps.

THE ALL-NEW 2015 TAHOE:

The groundbreaking 2015 Tahoe offers a superb blend of sophistication, craftsmanship and capability. This premium SUV is stunning to look at. It boasts a finely tailored, spacious interior with the technology you need to stay connected to your world. So no matter what the task ahead, you can be certain that your every need is catered for.

FIND *NEW* ROADS™

UNMISTAKABLY ELEGANT.

Tahoe LTZ in Crystal Red Tintcoat with available 22" wheels and retractable assist steps.

EXTERIOR DESIGN

Tahoe LTZ in White Diamond Tricoat with available retractable assist steps (on 2WD only).

1

THE HEIGHT OF PURPOSEFUL DESIGN.

Tahoe combines an artistically sculpted shape with an athletic stance for an unforgettable first impression.

2

SMALL DETAILS MAKE BIG IMPRESSIONS.

- 1. Projector-beam headlamps and rear LED taillamps add an upscale touch.
- 2. A hidden rear wiper is tucked ingeniously under the rear spoiler at the roofline.

INTERIOR DESIGN

Tahoe LTZ 4WD interior in Cocoa/Mahogany
with available features.

A CLASS ABOVE THE REST.

Tahoe LTZ interior in Cocoa/Dune Leather Appointments.

THE QUIETEST TAHOE INTERIOR EVER.

An acoustic-laminated windshield and triple-sealed inlaid doors help create a drive that whispers luxury.

IMPECCABLY REFINED.

Woodgrain accents and contrast stitching add a distinctive element to this perfectly upscale environment.

YEAR-ROUND COMFORT.

Envelop yourself in four-season luxury. Tahoe LTZ offers standard cooled perforated leather-appointed front bucket seats.

VERSATILITY DEFINED.

How you use your Tahoe changes from day to day and even trip to trip. The supremely comfortable interior provides spaciousness for up to nine passengers in LS models.

FAST-FOLDING REAR SEATS.

Enjoy the convenience of the fastest available power-release second-row and powerfolding third-row seats of any competitor.

CAVERNOUS CARGO SPACE.

With the second- and third-row seats folded flat, Tahoe offers 2,682 Liters of cargo space.¹

PROGRAMMABLE POWER LIFTGATE.

Standard on Tahoe LT and LTZ, the programmable power liftgate ensures that you'll worry less about the liftgate hitting a garage door or being out of your reach.

EXPAND YOUR PERSONAL SPACE.

- 1. With the available power feature, the second- and third-row seats fold flat in less than five seconds.
- 2. Lockable storage behind the available 8-inch diagonal color touch-screen.
- 3. Each door has storage for maps, umbrellas and other small items, and with up to 15 cup holders, you'll find at least one in reach from every seat.
- 4. The center console opens to store larger items like a laptop, a tablet or hanging files.

¹ Cargo and load capacity limited by weight and distribution.

Tahoe LTZ interior in Jet Black with available features.

8-INCH DIAGONAL COLOR TOUCH-SCREEN.

Available Chevrolet MyLink lets you arrange icons and features on the 8-inch diagonal color touch-screen. Touch and swipe on the screen just like you do on your smartphone or tablet.

12 CHARGING LOCATIONS.

With up to 12 charging locations, including up to six USB ports to connect phones, tablets and other portable devices, you'll always stay in touch with your world.

CONNECT YOUR SMARTPHONE.

Pair up to 10 compatible Bluetooth® enabled devices with Chevrolet MyLink and access your contact list, take phone calls and play your favorite music.

STORE UP TO 60 FAVORITES.

Chevrolet MyLink allows you to store up to 60 favorites, including radio stations, contacts, destinations (requires available Chevrolet MyLink with Navigation), music and other media.

INTUITIVE TECHNOLOGY, ALWAYS CLOSE AT HAND.

- 1. View important vehicle information on the 4.2-inch diagonal screen.
- 2. Available Chevrolet MyLink with Navigation includes 2-D/3-D maps.
- 3. With available Keyless Entry with Push-Button Start, as long as the key fob is inside the vehicle, you can start the engine with the push of a button.
- 4. Bluetooth wireless technology lets you stay connected.

BRING THE OUTSIDE WORLD IN.

1. Available 10-speaker Bose® Centerpoint® Surround Sound System.
2. Available Rear-Seat Blu-ray® Entertainment System with 9-inch diagonal screen.
3. The ambient air vent provides a sleek look and a cool flow.
4. Tahoe comes equipped with class-exclusive safety features and driver assist technologies that offer drivers and their passengers 360 degrees of protection.

***WHERE TECHNOLOGY AND SAFETY
EFFORTLESSLY COMBINE.***

Tahoe LT in Tungsten Metallic.

THE MOST ADVANCED TAHOE EVER.

YOU'RE SURROUNDED IN SAFETY.

A host of innovative driver assist technologies use strategically located cameras and radar sensors to warn you of potential risks on the road – or even in a parking lot. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

LANE CHANGE ALERT.

Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 70 meters away, not just in the side mirror blind zones.

FRONT AND CENTER.

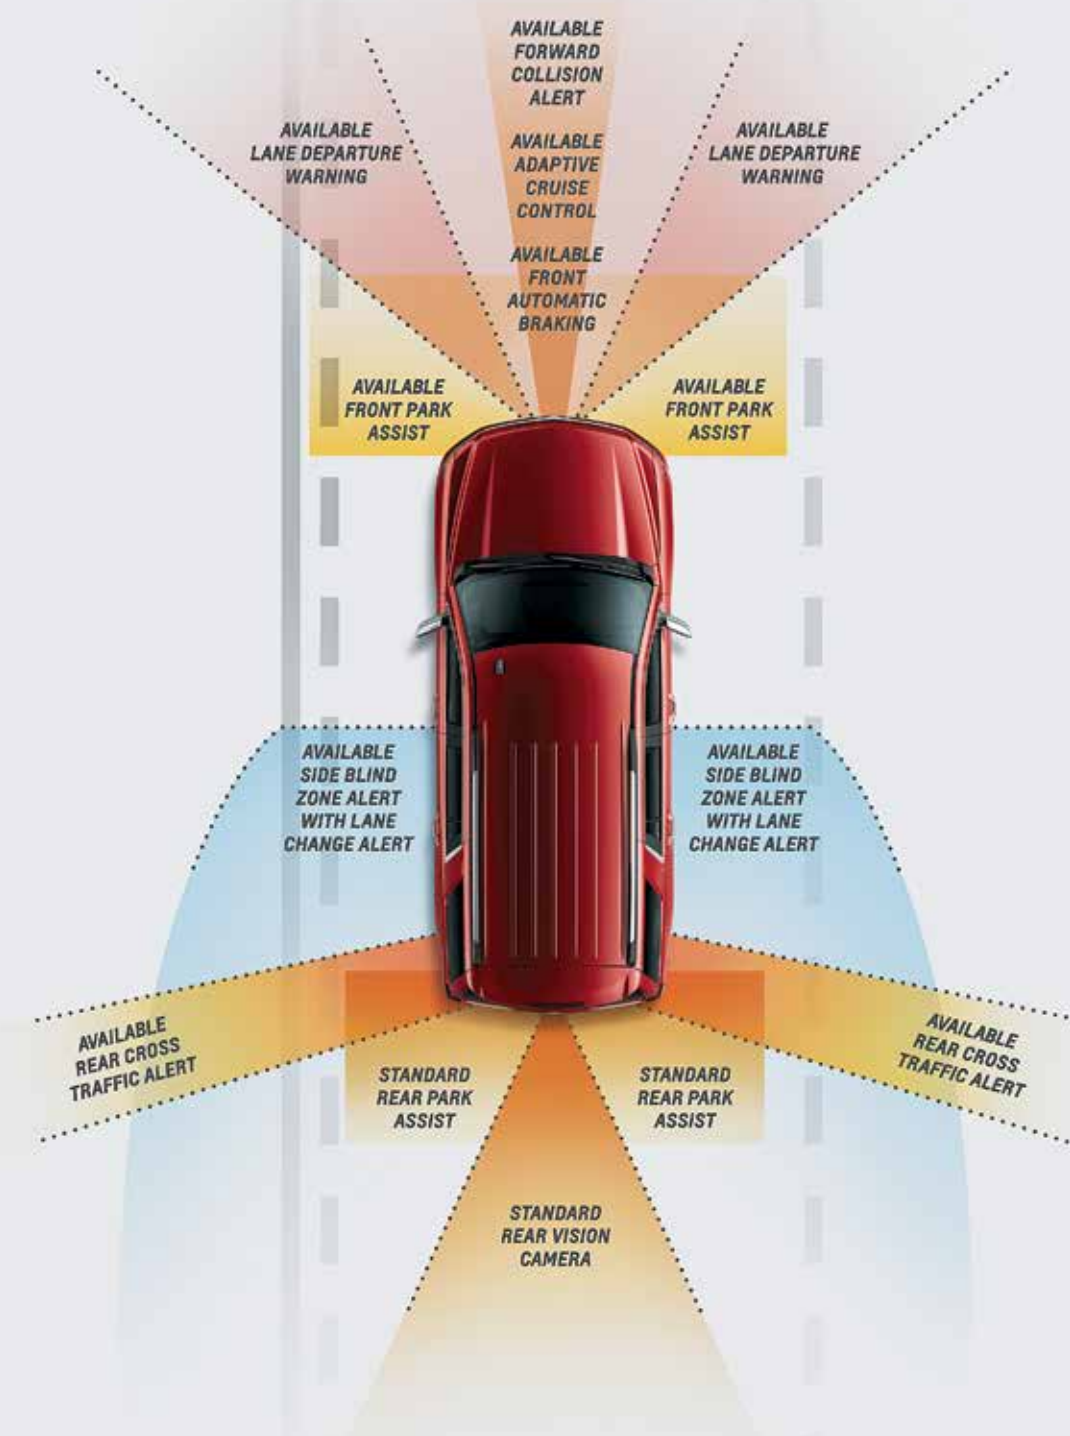

Tahoe helps protect you with a class-exclusive seat-mounted Front Center Airbag¹ (standard with front bucket seats). In addition, the 6 standard airbags provide impressive protection in moderate to severe frontal, side and rollover crashes.

ADDED SECURITY.

Protect your investment with the class-exclusive, available Theft Protection Package. It includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

WE'VE GOT YOUR BACK. AND SIDES. AND FRONT.

PERFORMANCE

355^{HP} / 519^{NM TORQUE} / 10.2^{L/100KM HWY}

THE ALL-NEW 5.3L ECOTEC3 V8 ENGINE.
Direct Injection boosts power and fuel efficiency while reducing emissions.
Active Fuel Management™ deactivates four cylinders when extra power is not needed.
Variable Valve Timing helps ensure Tahoe performs at optimum power and efficiency.
Bottom line? Tahoe offers better fuel economy than any competitor — an EPA-estimated 10.2 L/100km highway on 2WD models!

Tahoe LTZ in Crystal Red Tintcoat with available 22" painted-aluminum wheels with chrome inserts and retractable assist steps.

MAGNETIC RIDE CONTROL.
Tahoe LTZ features Corvette-inspired Magnetic Ride Control,™ a real-time damping system that delivers a smooth, precise ride by “reading” the road every millisecond and changing damping in just 10–15 milliseconds.

ALL-NEW FRONT SUSPENSION.
A tuned coil-over-shock front suspension features lighter, stiffer aluminum control arms and front springs that are 25% stiffer than before. The result is an exceptional ride and confident handling.

TOWS UP TO 3,856 KGS.
Tahoe offers a maximum towing capability of up to 3,856 kgs.² — plenty of power to tow boats, ATVs and whatever else you want to bring along.

¹ Based on GM Large SUV segment. EPA estimated L/100km city/highway: Tahoe 2WD 14.7/10.2; 4WD 14.7/10.7.
² Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. Contact your Chevrolet dealer for additional details.

CHILD SAFETY

CHOOSING THE RIGHT CHILD SEAT

REAR-FACING: THE SAFEST WAY FOR NEWBORN BABIES TO TRAVEL

FOR INFANTS AGED FROM 0-12 MONTHS / UP TO 13KG
Newborn babies must travel in a rear-facing seat. To secure the seat, adjust the harness so the webbing comes through the harness slots behind or below the baby’s shoulders. For convenience, you can purchase a base that fits into the car with detachable carrier. Many infant seats also fit into a stroller.

FORWARD-FACING: THE SAFEST WAY FOR TODDLERS TO TRAVEL

THE NEXT STAGE – FOR INFANTS AGED 9 MONTHS – 3.5 YEARS / 9KG TO 18KG
These bigger seats allow children to ride forward facing. They are still used semi-reclined to keep the baby’s head on the headrest and its airway open. Harness straps still come from behind or below the shoulders.

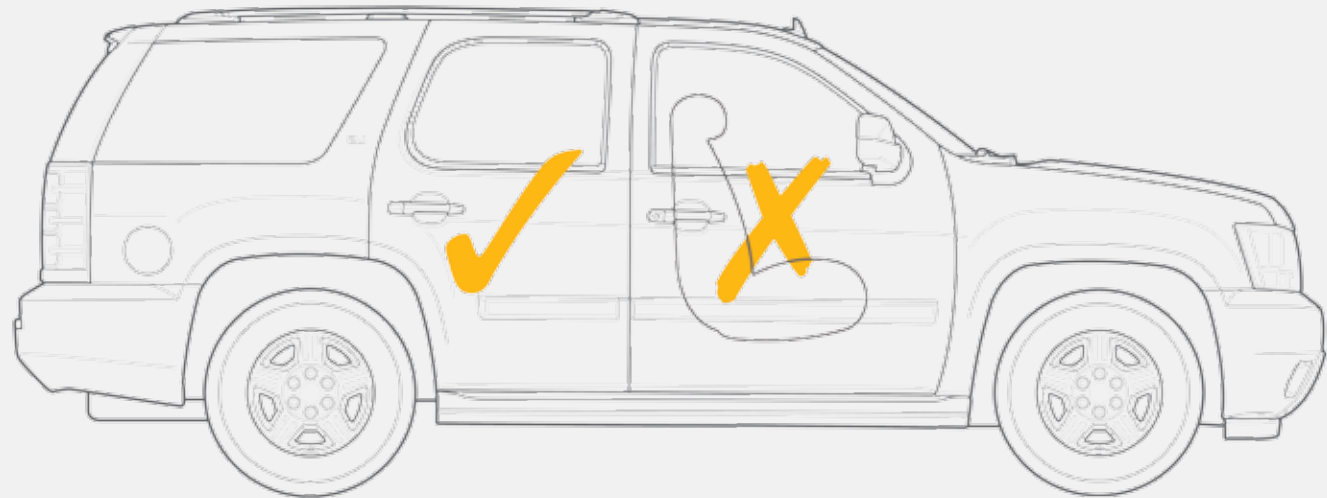

TODDLER SEATS – FOR CHILDREN AGED 3.5 – 12 YEARS / 15KG TO 36KG
These seats face forward in an upright position and the shoulder straps come from harness slots that are placed at or above the shoulders.

BOOSTER SEATS: THE NEXT STEP BEFORE SEATBELT USE

BACKLESS BOOSTERS – FOR CHILDREN FROM 21KG TO 45KG
These booster seats have no back and must be used with a lap and shoulder belt system. The lap belt should sit low on the hips; the shoulder belt should rest on the collarbone and not cross the face or neck.

HIGH-BACK BOOSTERS – FOR CHILDREN FROM 21KG TO 45KG
This type of booster seat has a back and, sometimes, side wings near the head. It must be used with a lap and shoulder belt system. This is a good type of seat if your child falls asleep in the car.

Always keep infants and children under 12 in the back seat.

CHEVROLET CARE
OUR COMMITMENT TO YOUR PEACE OF MIND

 **COMPETITIVE & TRANSPARENT SERVICE COSTS**

Chevrolet Care offers you one of the most competitive cost of maintenance in the market. Our service advisors also ensure that you are always made aware of every charge involved in your Chevrolet’s scheduled service. So when you hand over your keys you know exactly what the service is going to cost you.

 **QUALITY SERVICE BY CERTIFIED TECHNICIANS**

You deserve the best for your car. That’s why Chevrolet Care employs specialized Chevrolet Certified Technicians to service your car using only genuine Chevrolet parts, thereby preserving its life and residual value. Additionally, there are many services that Chevrolet Care will offer you to ensure your complete satisfaction when you leave the service center.

 **SCHEDULED SERVICE APPOINTMENT BOOKING WITH SAME DAY DELIVERY**

At Chevrolet, we value your time as much as you do. That’s why Chevrolet Care offers a convenient booking system with a same day delivery promise on all scheduled maintenance services. Our professional advisors also keep you updated on service progress so you know exactly when to collect your vehicle.

 **3 YR / 100,000KM WARRANTY 24x7 ROADSIDE ASSISTANCE***

Chevrolet Care ensures that every Chevrolet comes with a comprehensive 3 YR / 100,000KM Warranty and Regional Roadside Assistance, 24 hours a day, 365 days a year. So that wherever you go, we’re always there to support you.

When you buy a Chevrolet, you don’t just take home a new car. You also enjoy the peace of mind that makes driving your Chevrolet a pleasant experience.

MIDDLE EAST VEHICLE TESTING

Every Chevrolet is tested in the region, so we know it can withstand the climate. Then, before launch, we check and double-check every inch of the vehicle for optimal performance. Chevrolet specifically develops many of its features—including its air conditioning, engine cooling systems, and paint—to perform in tough conditions. The result is a car you can depend on.

COURTESY VEHICLE PROGRAM **

Chevrolet strives for your convenience. In the unlikely event of a warranty repair involving extended repair times, you may be offered a suitable courtesy vehicle for your convenience.

CHEVROLET PARTS

Chevrolet’s region-wide dealer network is supported by a well-stocked parts distribution center, ensuring constant availability of parts to keep your vehicle on the road.

Chevrolet parts are priced to ensure low cost of maintenance and at the same time guarantee that you get genuine parts at competitive prices.

CHEVROLET CERTIFIED PRE-OWNED VEHICLES

- All of our certified pre-owned vehicles come with the confidence of:
- A 110+ point quality inspection
 - A minimum 12-month warranty
 - 24-hour roadside assistance
 - A 7-day exchange option

* Conditions apply. Refer to the warranty booklet supplied with your Chevrolet for the complete warranty policy.
** Conditions apply.
*** Not available in all countries.

Tahoe 2015 in Crystal Red Tintcoat.

COST OF MAINTENANCE

MINIMAL MAINTENANCE. MAXIMUM ENJOYMENT.

Tahoe delivers affordability well beyond the showroom floor—it's been designed and engineered with minimal-maintenance features that keep you on the road for less.

The cam drive, cam phasing and valvetrain components require no scheduled maintenance.

The sophisticated cam-chain tensioner, high-quality cam phasing components and hydraulic lash adjusters are designed to ensure optimal valvetrain performance with no adjustment for the life of the engine.

Advanced control electronics and a wide range of sensors allow fail-safe systems, including ignition operation in the event of timing sensor failures.

Control software protects the engine from permanent damage in the event of complete coolant loss, allowing the engine to operate at reduced power for a prescribed distance sufficient for the driver to find service.

SCHEDULED MAINTENANCE

To complement Tahoe's intelligent and protective engineering, regular scheduled maintenance will keep it running further and longer. To keep your vehicle in perfect condition, work should be carried out at regular intervals, according to the recommendations in your owner's manual.

MENU PRICING

As time and kilometers pass, certain wear-and-tear items will need replacing. Whether it's wiper blades, shock absorbers, or brake pads, it's all covered in Menu Pricing and our competitive prices will help you keep your Tahoe on the road with minimal cost. Check with your dealer for details or log on to chevroletarabia.com
