Fiesta Sport shown.

Fun and stylish

The Ford Fiesta has an eye for detail. Inside and out, this smart little car has a big personality with features that keep you connected while you're out and about.

Fiesta Sport shown.

Stand out from the pack

Feel the rush every time you get behind the wheel. The sporty Fiesta ST promises great performance for an exciting driving experience. With smart features accented by dynamic design, it's fuelled with confidence.

Fiesta ST shown.

Connect with your world

With a choice of superb audio and entertainment systems, and built-in connectivity for your gadgets, you can fill your Fiesta with your favourite music and stay connected on the go.

Fiesta Sport interior shown with optional PowerShift® transmission.

Big, bold sound

Tune into the fun of the Fiesta. The multi-speaker Sony audio system, with radio/CD player and Bluetooth® audio streaming, offers premium sound quality. You can even listen to, and operate, your USB music player or iPod® hands-free, via SYNC.™**

Everything at your fingertips

Control your experience while keeping your hands on the wheel and eyes on the road. With steering wheel controls, you conduct the smart features of the Fiesta with your fingertips.

Thoughtful features

With great features, like automatic headlights, you're in for a smooth ride. The optional Sports Executive Pack® includes rain sensing wipers, rear sensors, climate control, auto headlamps, perimeter alarm and Ford smart key.

Don't miss a thing

Your world doesn't stop while you're behind the wheel. So stay in the loop thanks to smart features, like SYNC™ voice activation technology, that connect seamlessly with your smart phone.

Fiesta Sport interior shown with optional PowerShift® transmission.

Keyless entry and push button start*

As long as your key fob is in your pocket or bag, your Fiesta automatically unlocks when you pull the door handle. Then simply put your foot on the brake, press the start button and drive away.

SYNC
Powered by Microsoft

Control your phone and music, hands-free

SYNC™ voice activation technology* allows you to play music, make and receive hands-free calls and call phone contacts by simply saying their name. So wherever you go, your friends and music are right there with you. And with Emergency Assistance (once activated), SYNC™ can automatically call for help when it's needed. If the airbags are deployed or the fuel pump shut off is activated, SYNC™ uses your mobile phone (as long as it's paired and in range) to dial emergency services and give them your exact GPS co-ordinates.

Love the look

Fiesta's striking new design speaks for itself. Cool and contemporary from every angle, this stylish car makes a big impression.

Fiesta Sport shown.

Always in style

This is a car that understands how important it is to look good out on the road. With its dynamic exterior and modern interior, the Fiesta is designed to reflect your energy and sense of style.

Fiesta Sport interior shown with optional PowerShift® transmission.

Energy in motion

The sleek and stylish lines of the Fiesta will move you, even when it's standing still.

Steering with style

This leather wrapped steering wheel adds a touch of luxury to every trip.

Setting the mood

The ambient lighting* will stimulate your senses and set the mood.

Out in front

The striking new front design of the Fiesta gives it a stylish edge.

Stylish alloy wheels*

These eye-catching alloy wheels stand out on the road.

Comfort and flair

The Fiesta looks just as good on in the inside as it does on the outside. With this dramatic new interior, you'll love being in the drivers seat.

*Ambient lighting is available on Sport and ST models. *Standard on Trend, Sport and ST models.

International Engine of the Year

It's tough to find a better combination of fuel economy and power than the turbocharged 1.0L EcoBoost. Awarded the International Engine of the Year title for the last 3 years, this revolutionary petrol engine still delivers the grunt you need.

*Ford PowerShift® available on Ambiente, Trend and Sport models. #EcoBoost 1.0L engine available on Sport model.

More for you

The Fiesta has been designed to reduce your cost of ownership through improved fuel economy, without any compromise on power.

Feel the power, not the shift

Ford PowerShift® transmission is derived from a manual transmission and gives you the convenience of smooth automatic gear changes whilst retaining the fuel economy benefits associated with a manual transmission. This 6-speed transmission selects the next appropriate gear at precisely the right moment. The manual mode lets you switch gears at the push of a button - no clutch required.

Takes you further

Many things affect how far you can go on a tank of fuel, including the way you drive. Ford EcoMode driver information system gives you tips on how to change the way you drive, while you're driving. So you can drive more and refuel less often.

Fiesta Sport shown.

Australia's highest safety rating
In addition to a long list of standard features, you have added peace of mind knowing that the entire Fiesta range has a 5-star ANCAP safety rating.

Style and confidence

The Fiesta isn't just stylish. You'll also feel confident with great features that are designed to help protect you and your passengers.

The Ford Fiesta Intelligent Protection System (IPS) includes:

- | | |
|--|--|
| 1. Driver and front passenger airbags | 5. Dynamic Stability Control with anti-lock brakes, electronic brake-force distribution and Emergency Brake Assist |
| 2. Driver and front passenger side impact airbags | 6. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones |
| 3. Side curtain airbags for front and rear seats | 7. Pretensioners, load-limiting retractors and height-adjustable mounts on front seat belts |
| 4. Collapsible steering column and pedals for optimised protection of driver's legs and feet | |

Looking out for you

Fiesta's robust impact-absorbing shell encapsulates a range of intelligent safety features designed with an emphasis on accident avoidance and occupant protection.

Fiesta Sport shown.

Hill starts made easier

Hill launch assist is designed to prevent you from rolling on a hill when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears.

Help is on its way

If you're ever in an accident that deploys the vehicle's airbags or activates the fuel pump shut off, SYNC™ Emergency Assistance (once activated) can use your paired and in range mobile phone to dial emergency services and provide your exact GPS location.

MyKey®

Ford MyKey® technology helps parents encourage young drivers to drive responsibly. Program your key to restricted driving modes that promote good habits, such as limiting vehicle top speed and decreasing audio volume.

Fiesta Ambiente interior shown with optional PowerShift® transmission.

Ambiente

With exciting features and modern design, the Fiesta Ambiente accentuates your style and personality.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

Complimentary State Auto Club Roadside Assistance and Membership.

Our commitment to your complete satisfaction plays a major role in everything we do. That is why we provide a 12 month Roadside Assistance package including State Auto Club Membership for all Retail and Blue Fleet Customers (with fleets less than 5 vehicles).

This package gives you access to the largest network of roadside assistance providers in the country, so you can be assured that you have non-stop coverage every day of the year.

The benefits of being a member are not limited to the peace of mind of 24/7 roadside assistance. You also have access to a wide range of member benefits including Show Your Card & Save. In addition, you will maintain any benefits accrued through your existing years of membership (where applicable).

Complimentary State Auto Club Roadside Assistance & Membership is valid for eligible Ford vehicles and is available from participating Authorised Ford Dealers only. Visit your local Ford Dealer or refer to ford.com.au for more information and full terms and conditions.

Warranties & Service.

3 year/100,000km new car warranty.*

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

5 year warranty against perforation corrosion.*

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

Ford Capped Price Servicing.

You'll now always know exactly what you're going to pay for an eligible scheduled service before you even come in. So there are no nasty surprises for the life of your car. With Ford Capped Price Servicing, we'll publish the maximum price you'll pay for an A or B logbook service at participating Authorised Ford Dealers for all vehicles built from 2007. You'll have that certainty for as long as you own the car.

For more details visit your participating local Ford Dealer or visit ford.com.au/myfordcps for full terms and conditions.

Plus, our service doesn't end at the service garage. Because, with each Capped Price Service for up to 7 years, Retail and Small Business Customers (fleets of less than 5 vehicles) will also receive up to 12 months Auto Club Membership, including free Roadside Assistance. A free loan car will also be available for eligible customers with Capped Price Servicing at participating dealers.
