TOUGH DONE SMARTER

The 2020.25MY Ranger has arrived, boasting more technology than ever before. All Rangers come standard with Autonomous Emergency Braking, Lane Keep Assist, Traffic Sign Recognition and Auto High Beam creating the most advanced Ranger yet.

3.2L Diesel Engine

Tried, tested and trusty. Boasting 147kW of power and 470Nm of torque, the 3.2L 5 cylinder diesel engine delivers all the power you'd expect, with incredible fuel efficiency.

Bi-Turbo Engine

The epitome of tough done smart. Combining high grade alloy materials to ensure durability at higher temperatures, the two turbo chargers work together with the advanced 10-speed auto to allow for greater torque, better fuel economy and lower noise levels, with the reliability and robustness expected from a Ranger.

Wildtrak in Saber**

Notes

Pre-Collision Assist with Pedestrian Detection⁸

Standard across the range, this system combines multiple sensors to see the road ahead. This AEB system is designed to help detect and mitigate frontal collisions with vehicles and vulnerable road users like pedestrians and cyclists by automatically applying the brakes.

Traffic Sign Recognition⁸

Traffic Sign Recognition can automatically detect and display the current speed limit. It can even provide an audible and visual warning if you exceed the detected speed limit, helping you to avoid speeding fines. Standard on all Rangers.

Lane Keep Assist with Lane Departure Warning⁸

Every Ford Ranger can detect if you unintentionally drift out of your lane, initially vibrating the steering wheel to alert you, then applying steering torque to help direct the vehicle back into the lane.

Semi-Auto Active Park Assist⁸

Not only will this system use ultrasonic sensors to help you find a suitable parallel park, it will steer you in automatically, while you focus on the accelerator and brake.

SYNC³ with Apple CarPlay & Android Auto^{4,7}

Use voice commands to locate your next worksite, make hands free phone calls and listen to text messages. Connect your compatible smartphone through Apple CarPlay, Android Auto or Applink[®] for hands-free control of your favourite apps.

Power Roller Shutter

Standard on Wildtrak, the redesigned power operated roller shutter offers improved security and additional load space. Opened through the key fob, dash or inside the tray this new design is a great way to secure your load.

3.5 Tonne Towing¹

With up to 3,500kg braked towing capacity and 6,000kg gross combined mass in conjunction with Trailer Sway Control⁸, you'll be able to handle big loads with confidence.

1. Excluding 4x2 XL Single Cab Chassis 2.2 Low Rider, which has a GCM of 5,425kg, GVM of 2,925kg, and Maximum Braked Towing Capacity of 2,500kg. 2. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance. 3. Available on Pick-up models only. 4. Available on Double Cab models only. 5. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 6. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 7. Traffic Message Channel is currently provided through an arrangement with Intellematics Australia Pty Ltd (Intellematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intellematics cease for any reason. 8. SYNC®3 features are compatible with all phones. For compatibility, see ford.com.au/sync. 9. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 10. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 11. Available on 4x4 models only.

FORD SERVICE BENEFITS

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do. Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

Five Year / Unlimited Kilometre Warranty

As a Ford owner you will receive a Five Year / Unlimited Kilometre Ford Express New Vehicle Warranty with your purchase! For details about this warranty please visit: www.ford.com.au/owners/warranties

\$299

PER STANDARD A OR B SCHEDULED SERVICE FOR UP TO 4 YEARS/60,000KMS

Feel at ease knowing that when you purchase a new 2020.25MY Ranger, for eligible customers, the most you will pay is \$299 for items listed in an A or B standard service for the first 4 years or up to 60,000km, whichever comes first.²

Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at ford.com.au/about/community

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating Ford Dealers on 2019MY Endura onwards, 2019MY Focus onwards, 2019.75MY Ranger onwards, 2019.75MY Everest onwards, 2020MY Mustang onwards, 2020.25MY Fiesta ST and 2020.25MY Focus ST vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for 4 years or 60,000km (whichever occurs first) commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service Items (and Additional Scheduled Maintenance Items which are not included) are set out in the Customer Assistance and Warranty Guide with the vehicle. See www.ford.com.au/service/t-and-c for full terms. 3. Available at participating dealers on scheduled services or overnight warranty repairs. Private and Blue, Silver and Gold Business Fleet customers only. Booking may be required. See www.ford.com.au/service/t-and-c for full terms. 4. Available at participating Ford Dealers. Excludes F-Series, Everest, Mustang, Transit models and Performance Vehicles. Customers will pay equal to or less than the current maximum price as published by Ford at <http://www.ford.com.au/owners/service/brakes>. Maximum prices are subject to change. See <http://www.ford.com.au/owners/service/t-and-c> for full terms. 5. Available at participating Ford Dealers on vehicles built from 2007. Customers will pay equal to or less than the maximum price as published by Ford for the period of the web quote for standard items in the A and B logbook service together with selected routine maintenance items. See www.ford.com.au/service/t-and-c for full terms. 6. Available to Private and Blue Business Fleet customers with vehicles 7 years old or less. State Auto Club Membership & Roadside Assistance is included for 12 months or until your next eligible standard service (whichever occurs first) at participating Dealers. Customers must comply with scheduled servicing intervals to maintain continuity of membership. See www.ford.com.au/service/owners/t-and-c for full terms. 7. The Low Price Tyre Guarantee offer is available to private retail and Blue Business Fleet customers on Dunlop, Goodyear, Pirelli, Firestone, Bridgestone, Michelin, Continental, BF Goodrich, and General Tire tyres that are stocked by participating Ford dealers. Competitor tyres must be new and identical from an Australian tyre retailer. Offer includes "4 for 3" or similar competitor offers, but excludes competitor cashback offers, gift cards, "wheel and tyre bundles" tyres purchased under an instalment payment plan, clearance and liquidation stock, and any competitor quotes that cannot be verified. Customer must present a competitor quote for a competitor tyre (Competitor Tyre) that includes the date of generation, tyre specification information (i.e. brand, quality, size, speed, load, and sidewall) and price of the tyre. If the Competitor Tyre quoted price does not include fitment, the participating Ford dealer will deduct \$25 from their quoted price to determine the Price Match Tyre price. For quotes or advertising from online retailers or retailers located more than 80km from the participating Ford dealer, a freight charge of \$20 per tyre will be added to the quoted price to determine the Competitor Tyre price. Competitor quote date must be within 30 days of Price-Matched Tyre purchase date. Competitor quote can be presented at the time of purchase (in which case, the customer will pay the competitor price), or within 30 days of purchase (in which case, the customer will receive a refund equal to the difference between the amount paid at time of purchase, and the Competitor Tyre price). Competitor quote must be a printed quote or web-based advertisement. Ford reserves the right to call the competitor to verify the price and availability of the tyre quoted. Verbal or handwritten quotes, personal customer discounts, personal customer quotes received via email, and other quotes that cannot be verified are ineligible. Ford reserves the right to vary or withdraw the Low Price Tyre Guarantee offer at any time. 8. Customers must comply with scheduled servicing intervals. See www.ford.com.au/service/owners/t-and-c for full terms.

This brochure details specifications and features of the 2020.25MY Ranger Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2020.25MY Ranger Range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult a registered Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack A = Accessory fitted at Ford Dealer

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. On variants where both a 6-speed manual and 6-speed auto are available, the 6-speed auto typically is 17-18kg heavier than manual, which then reduces the payload by 17-18kg. 3. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 4. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack A = Accessory fitted at Ford Dealer

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. On variants where both a 6-speed manual and 6-speed auto are available, the 6-speed auto typically is 17-18kg heavier than manual, which then reduces the payload by 17-18kg. 3. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 4. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured P = Part of a Pack A = Accessory fitted at Ford Dealer

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. On variants where both a 6-speed manual and 6-speed auto are available, the 6-speed auto typically is 17-18kg heavier than manual, which then reduces the payload by 17-18kg. 3. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 4. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance.

6. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 7. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 8. Traffic Message Channel is currently provided through an arrangement with Intellematics Australia Pty Ltd (Intellematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intellematics cease for any reason. 9. SYNC®3 features may not be compatible with all phones. For compatibility, see ford.com.au/sync. Sync ® 3 System on XL & XLS models do not have embedded voice control, satellite navigation or CD Player. 10. SYNC®3 features may not be compatible with all phones. For compatibility, see ford.com.au/sync. 11. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 12. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.
