HAVAL

HAVAL H2

Enjoy the luxury

Step inside the Haval H2 and be welcomed into a world of luxury and comfort, with ample room to store everything you need for your journey.

① The multi-function dashboard combines digital technology with analogue styling to clearly display relevant driving information.

② Steering Wheel Control Buttons

The leather steering wheel incorporates audio, Bluetooth, cruise control and trip computer functions.

③ Keyless Start

Your adventure begins with the touch of a button.

④ Keyless Entry

The intelligent key carried by the driver can sense and automatically lock and unlock the doors when you are in close proximity with the H2.

① Automatic Dual-Zone Climate Control Air Conditioning (LUX model)

Driver and passenger can dial in their preferred temperature setting and the H2's climate control system automatically adjusts the temperature in each zone to suit. It's the ultimate in set-and-forget comfort.

② Entertainment System

With superior audio quality, the H2 makes every drive a pleasure.

③ Electric Heating Function for Driver Seat & Front Passenger Seat (Opt)

④ Haval laser puddle lights (LUX model)

⑤ Six-way Electric Adjustable Driver Seat (LUX model)

⑥ Electric Adjustable Sunroof (LUX model)

With one-touch operation, the electric sunroof makes it easy to control your environment.

Enjoy the simplicity

At Haval, we understand life can sometimes be stressful.
The Haval H2 incorporates advanced technology and
equipment levels to ensure your journey is stress-free.

Engineered for all-round safety

HAVAL H2 comes complete with advanced active and passive safety equipment to ensure the safety of you and all of your passengers.

All-Round Airbags (Front Dual Airbag + Front Dual Side Airbag + Integrated Side Curtain Airbag) (LUX model)

HAVAL H2 comes standard with a high level of active and passive safety features. Airbags deploy immediately to reduce impact forces and minimise the potential for injury. Full-length side curtain airbags provide additional protection for rear-seat passengers.

① Front-row Active Headrest (LUX model)

Front-row headrests provide additional protection from injury by moving forward slightly and further cradling the neck and head.

② Reversing Camera (LUX model) + Reversing Sensor

The perfect combination of reversing sensor and reversing camera provides you with accurate information when backing out of your driveway or car park.

LH Kerb Side Camera

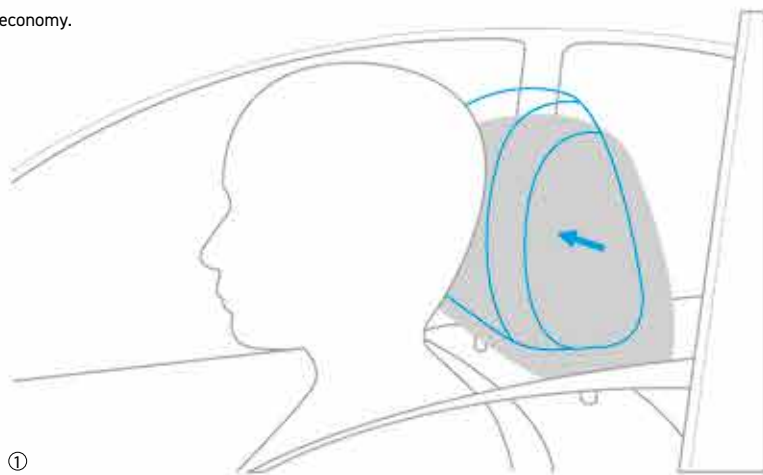

The area around the left front wheel is captured by a camera in the left rear view mirror, enabling the driver to clearly see kerbside blind spots to enhance safety.

③ TPMS (Tyre Pressure Monitoring System)

The H2 safety system constantly monitors tyre pressures for optimum performance and economy.

④ ESP (Electronic Stability Program) (AT only)

The latest generation Bosch ESP keeps the H2 on your chosen path and helps prevent slipping and skidding.

① 1.5L turbocharged engine

The technologically advanced 1.5L Turbo engine delivers fuel economy with outstanding performance. With 105kW of power and 202Nm of torque, the H2 has all the performance you will ever need.

② Front MacPherson + Rear Multi-Link Independent Suspension

HAVAL H2 offers a sophisticated SUV suspension designed to be just at home in the urban jungle as it is exploring off the beaten track. The H2 provides outstanding manoeuvrability, handling and comfort in all conditions.

Torque On Demand Intelligent AWD (Manual only)

The H2's Engine Control Unit continually monitors real-time data (including vehicle speed, wheel speed, throttle opening, etc.) to automatically switch between two and four-wheel drive to provide optimum traction and performance.

Engine	1.5L Turbo
Fuel type	Petrol
Displacement (L)	1.497
Rated power/engine speed (kW/rpm)	105/5600
Maximum torque/engine speed (Nm/rpm)	202/2200-4500
Emission standard	EURO IV/V+
